Dear Ms. Riabko,

We just wanted to send you a quick note to thank you for being part of a record breaking CHEO Telethon. Your gift helped us break the \$6 million mark for the first time in history and you can be happy knowing how much of a difference you have made for the children and youth at CHEO. I am happy to tell you that little Evan, the 10 year old cancer patient whose story you read in our last letter, is still fighting in spite of being in and out of CHEO palliative care centre.

Your contribution will help CHEO staff perform the miracles that happen every day at CHEO. Every year thousands of children like Evan depend on CHEO and with caring people like you on their side, the doctors and nurses at CHEO can continue to provide the quality health care that every child needs, and deserves.

It's always heartwarming to see our communities come through for the families who rely on CHEO. You can take great pride in being one of the people who make it better for the thousands of children and youth who come to CHEO each and every month. Thanks again.

Warm regards,

Frederick M. Bartlett
